clyde  
armchair/sofa

- 04. Clyde 3 seat sofa arm right.
- 05. Clyde 3 seat sofa no arms.
- 06. Ped coffee table with glass P38

design philosophy

The Clyde sofa is the taller brother of the portion sofa, designed with a slightly shallower and higher seat and backrest. Clyde retains the trademark buttoned seat and scooped back of the portion sofa range but offers an alternative sitting position, popular in retail and corporate environments. Clyde also offers compact dimensions in the arm and seat width which oozes executive quality whilst retaining a unique contemporary edge.

technical specification

Clyde is proudly manufactured to the highest standards in our British factory. The main body of the seating is constructed with FSC certified hardwood and CMHR foams. The two base options are made from hand polished stainless steel and FSC certified hardwood.

sizes
