

Hush Low Chair

A refined lounge chair that's a designer's dream.

The Hush Low Chair brings all the refined, angular style of the Hush collection, but with a lower back height. Here is a compact yet comfortable lounge chair that encourages working, reading or simply retreating.

This lounge chair delivers compact style without compromising the seated experience. Hush Low is comfortably low-slung, pairing perfectly with NaughtOne's side tables, or setting a bold tone alongside the high-backed Hush.

An ideal spot for work, reading or relaxation, Hush Low is a designer's dream thanks to its capacity for customisation. With a host of upholstery options to choose from, as well as three base options, Hush Low can look completely different depending on how you specify it.

Technical Specification

Servicing

If a component is damaged, we will be happy to facilitate any replacements that are required. Please email our team with an image of the damaged part and reference your order number.

Warranty

NaughtOne offers a 10-year warranty across all products. Details on the terms and conditions of NaughtOne's warranty can be found at www.naughtone.com/warranty

Flammability

The cold cure foam material has been tested to meet the following standards:
British standard: 5852:2006 Part 2
California Technical Bulletin: 117-2013.
Italian standard: UNI 9175-CLASS 1.IM

The flammability standard of the covering fabric is dependent on the choice made by the customer. Details of the flammability rating of specific fabrics can be found on supplier websites.

Testing

Our chairs are designed to meet or exceed all EN performance requirements as per BS EN 16139:2013, which includes the following tests:

- Seat and back static load test
- Seat front edge static load test
- Vertical static load on back
- Foot rest and leg rest static load test
- Arm sideways static load test
- Arm downwards static load test
- Vertical upwards static load on arm rests
- Seat and back durability test
- Seat front edge durability test
- Leg forward static load test
- Leg sideways static load test
- Seat impact test
- Back impact test
- Arm impact test

These attributes can help you to achieve criteria towards LEED, BREEAM, Ska and WELL building certifications.

FSC® certified products available upon request (FSC® C134222)

NaughtOne offers PEFC certified products

Where sustainable sources are quoted and a chain of custody is required by a customer, this must be indicated on the purchase order to NaughtOne. A chain of custody requested after an order has been placed or delivered may be difficult to recover.

Figures stated in this document may vary based on model and options selected. We have based this document on a specific example when produced in the United Kingdom. Recycled content calculations are taken from supplier information and industry averages. Material variables are likely to affect the figures which may result in higher or lower percentages.

This document will be reviewed and updated periodically and is subject to change without notice.

Product Sustainability Statement

The Hush Sofa and Chair is available in a range of sizes and finishes, but for the purpose of this document we have a specific example from the range: Hush low chair with sled base.

CSR Statement

We care a great deal about the sustainability of our products. At every stage of the process – from design to manufacturing to shipping – we seek to minimise our environmental impact. Our 10-year warranty speaks of our commitment to making quality, durable furniture that does not need to be regularly replaced. We offer FSC® certified upholstered products and use recycled metals in our table ranges. We have manufacturing facilities in North America to reduce freight miles in our largest market and we offer an innovative Take-Back Programme that enables clients to return products to us at their end of life so we can recycle the parts. We are proud of what we have done, but we are ready to go further.
