

Pullman Modular Seating

Turn a place into a neighbourhood.

Pullman Modular is furniture that behaves like architecture - defining, dividing and organising space without the need to build walls or erect screens.

Core Features

Modular seating allows for expressive custom designs.
Steel legs and plinth base available.
Two-tone upholstery available.
Power and data optional.
10-year warranty & global take back programme.

Flammability

The cold cure foam material has been tested to meet the following standards:

- British standard: 5852:2006 Part 2
- California Technical Bulletin: 117-2013
- Italian standard: UNI 9175-CLASS 1.IM

The flammability standard of the covering fabric is dependent on the choice made by the customer.

10 year warranty

Our decade-long warranty is proof of our commitment to robust engineering and durable design, built on our belief that long-lasting products are essential to sustainable business practice.

Product Sustainability Statement

Pullman Modular Seating is available in a range of sizes and finishes but for the purpose of this document we have a specific example from the range: Pullman Modular 1 Seat Corner High Screen.

All figures use UK-based industrial manufacturing data. The kg CO₂e calculations are based on the cradle-to-gate phases of a Life Cycle Assessment at NaughtOne's factory in Elland, UK.
