Flammability

The cold cure foam material
has been tested to meet the
following standards:

- British standard:
5852:2006 Part 2
- California Technical Bulletin:
117-2013
- Italian standard:
UNI 9175-CLASS 1.IM

The flammability standard of the
covering fabric is dependent on
the choice made by the customer.

10 year
warranty

Our decade-long warranty
is proof of our commitment
to robust engineering and
durable design, built on our
belief that long-lasting products
are essential to sustainable
business practice.

Product Sustainability Statement

The Ruby Chair is available in a range of sizes and finishes but for
the purpose of this document we have a specific example from
the range: Ruby Chair 5 star base.

All figures use UK-based industrial manufacturing data. The kg CO₂e calculations are based on the
cradle-to-gate phases of a Life Cycle Assessment at NaughtOne's factory in Elland, UK.
